Reference: Renewal of License No. 24-20011-01  
Expiration Date: September 30, 1985

Dear Sirs:

This is to request renewal of this license.

All conditions of the original application and license remain the same with the following two exceptions:

1. Amendment No. 01 to this license changed the number from 24-20011-02 to 24-20011-01 and reflected the transfer of by-product material from Kaiser Refractories to National Refractories & Minerals Corporation.
2. The "Name of Person to be Contacted Regarding this Application" - Item 3 on original application - should be changed from William M. Whearty to Ernest E. Kimball.

Please find our check for \$60.00 attached to cover the renewal fee.

Please call me (314-581-1250) if there are any questions or problems.

Sincerely,

NATIONAL REFRACTORIES & MINERALS CORPORATION
