SUBJECT University of Missouri - Columbia; Decommissioning Procedures submitted by licensee for NRC review					
SUMMARY AND ACTION REQUIRED (IF ANY) Licensee Participants: Todd Houts, Director EH&S; Don Dobey, RSO; Cade Register, RSO Alt; Chris Eckterlman, Chase Env.; Dan Williams, Chase Env.; Dave Culp, Chase Env.; Nick Brighton, licensee construction eng. NRC Participants: David Hills, MCID Chief; Michael LaFranzo, Senior Health Physicist; Peter Lee, Health Physicist; Greg Chapman, Health Physicist; Brittany Bolz, Health Physicist The licensee provided NRC internal procedures on July 10, 2020 which dealt with the licensee's decommissioning activities at Pickard Hall. The NRC requested a conference call on July 13, 2020 to address NRC concerns. On July 13, 2022, a telephonic meeting between NRC and licensee's representatives occurred. The NRC informed the licensee that certain aspects of the procedures provided to the NRC for review appeared to need review and approval by the Commissioning in accordance with 10 CFR 30.36(g)(1). The licensee put a hold on procedural implementation until the licensee could perform additional reviews of the procedures and a meeting could be arranged to discuss further options.
