Gentlemen:

Re: Comanche Peak Nuclear Plant
Dallas- Ft. Worth Community

I urge you to use your influence to have a complete and new inspection made of the above named Comanche Peak Nuclear Plant. I am concerned with the way this plant has been built and with the political and odious climate surrounding the final inspections and rumors of cover-up.

I am a resident living just 60 miles from the plant and my neighbors and I feel that the future of our families and property is at stake here. I do not feel that any of this has been handled expeditiously or honestly.

I appreciate your help in this matter.

Sincerely yours,

John Pullen
