IN RESPONSE REFER
TO FOIA-86-417

Dear Mr. Rooth:

This is in response to your letter dated June 4, 1986, in which you requested, pursuant to the Freedom of Information Act (FOIA), documents pertaining to the accident which occurred at the Crystal River nuclear power plant on January 10, 1986, which resulted in the death of two divers.

The enclosed appendix identifies documents which are being placed in the NRC's Public Document Room (PDR), 1717 H Street, NW, Washington, DC 20555, where they will be available for your inspection at no charge or reproduction at a nominal charge of five cents (\$0.05) per page, as specified in 10 CFR 9.14. The documents will be filed in PDR folder FOIA-86-417 under your name. Enclosed is a notice that provides charges and procedures for obtaining records from the PDR. One additional document which was originated by the Occupational Safety and Health Administration has been referred to that agency for a disclosure determination and direct response to you.

Sincerely,

Donnie H. Grimsley, Director
Division of Rules and Records
Office of Administration
