Gentlemen:

Your letter of January 30, 1987, transmitted a Temporary Change to the Salem and Hope Creek Generating Stations' Security Plan. The Temporary Change identified the compensatory measures to be implemented during training of Security Supervisors for the period February 2 to 27, 1987, after which you reverted to the commitments in your current NRC approved Security Plan. We have reviewed the information contained in this Temporary Change and have determined that it is consistent with the provisions of 10 CFR 50.54(p), and is considered acceptable.

Sincerely,
