Safeguards Information Transmittals from NRC

Dear Sir:

This letter refers to your letter of July 26, 1985, and is initiated to notify you of a change in the designated recipient of Safeguards Information at Boston Edison Company.

Please be advised that the primary recipient should remain the same in all but Safeguards transmittals. When Safeguards Information is included in a transmittal, however, it should be detached from the original transmittal to the primary recipient and forwarded with a copy of the original transmittal to the following:

Edward T. Graham
Compliance Group Leader
Nuclear Operations Department
Pilgrim Nuclear Power Station
Rocky Hill Road
Plymouth, MA 02360

In this manner, this proprietary material can continue to be controlled in accordance with the requirements established by 10 CFR 73.21, and made available only to those who have a need to know.

We appreciate your continued attention to this request. Should you require any further information, please contact us.

Very truly yours,

James M. Lydon
