Gentlemen:

This refers to your application dated May 13, 1986, requesting an amendment to License No. 04-01429-03 to change the names of individuals who will use or directly supervise the use of licensed materials at your facility. We find that additional information is needed.

Please provide specific information about Otis Gentry's experience with radioactive material. Your application indicates that he was an RSO, but there is not specific information related to his use of the calibrator.

Our review of your application will continue upon receipt of the above information. Please reply in duplicate within 30 days and refer to Mail Control No. 019706 in your response.

Sincerely,

Original Signed By
