Independent Assessment Program - All Phases

Dear Mr. Spence:

I would like to take this opportunity to express my appreciation for the cooperative attitude that has been displayed by TUGCO and Stone & Webster during the last several meetings. In particular, Larry Nace and Jack Redding have ensured a renewed information flow that has enabled Cygna reviewers to close-out a majority of the piping issues. I am sure that this approach will ensure a collectively expeditious schedule for the closure of all discipline review issues.

We look forward to continued communications which will allow for the independent resolution of our concerns.

Very truly yours,

Richard J. Stuart
