Dear Mr. Tilton:

Envirotronics, Inc. is requesting a copy of the approved operational nuclear license for Nuclear Metals, Inc., 2229 Main Street, Concord, MA.

This request for license is under the Freedom of Information Act, 10CFR, part number 9.

The reason for this request is to evaluate the depth and format of a defense ordnance manufacturer licensing requirements, since Envirotronics is evaluating the possibilities of entering the field of nuclear ordnance.

Your help in obtaining this information would be greatly appreciated.

Very truly yours,
