Docket No. 030-18985

License No. 06-19619-01

MEMORANDUM FOR: Maureen Moriarty, Licensing Assistance Section, FCMS, NMSS

FROM: John D. Kinneman, Chief, Nuclear Materials Section A

SUBJECT: EXPIRED LICENSE, CONSTRUCTION ADVISORY GROUP, INC.
GLASTONBURY, CONNECTICUT

On June 25, 1986, a licensee representative, Mr. John M. Leahy, President, was contacted and informed that License No. 06-19619-01 had expired on January 31, 1986 and that no renewal application had been received. The licensee representative explained that they have received and possessed licensed material, but now possess no licensed material and wish to have the license terminated. Licensed material was disposed of by transfer to a project in Jubail, Saudi Arabia. This was confirmed in a letter from the licensee dated July 16, 1986.

Based on a review of the information supplied by the licensee and a review of the type and form of material authorized by the license, a close out survey by the licensee is not required and this license may be retired.

Based on the above information and the nature of the material, we have retired License No. 06-19619-01. Please remove it from your active shelves.
