Dear Sir:

Subject: Docket No. 5J-206
Senior Reactor Operator Employment Status Change
San Onofre Nuclear Generating Station, Unit 1

Pursuant to 10 CFR 50.74(a), this letter is to inform you that Alexander J. Schramm, Docket No. 55-2568, has been promoted to a position at San Onofre which does not require that a RO/SRO license be maintained. Mr. Schramm has accented the responsibilities and title of the Unit 1 Plant Superintendent. Although the Technical Specifications for this position require the individual to hold an SRO license at the time of appointment, the license is not required to be maintained. Therefore, in accordance with 10 CFR 55.55(a) his license, No. SOP-1146-9, has expired. The effective date of this personnel transfer was October 3, 1988.

If you require any additional information, please so advise.

Sincerely,

H E Morgan
