Dear Jamnes:

On March 22 and 23, 1999, C. Thor Oberg of this office attempted to conduct a safety inspection at the Seneca Army Depot (Seneca) of activities authorized by License No. 12-00722-06, Department of the Army, U.S. Army Armament and Chemical Acquisition and Logistics Activity (AC/LA), Rock Island, Illinois.

The inspector was informed by Seneca personnel that there have been no on-going activities under this license at Seneca since about 1993 at which time the persons authorized use and possession of licensed material under this license moved to another site. These activities have been discontinued at Seneca since that time.

No citation was assessed.

A report and copies of surveys conducted by Seneca personnel during November 1994, are enclosed

Sincerely,

Original signed by C. Thor Oberg
