Ms. Glenda Jackson
UNITED STATES NUCLEAR
REGULATORY COMMISSION
License Fee Management Branch
Office of Administration
Washington, DC 20555

Dear Ms. Jackson:

In the course of negotiating renewal of our NRC licenses, we paid fees amounting to \$3,640. Now that the licensing process is complete, we ask that you review the amount paid in light of the licenses granted.

To review the transactions to date:

JANUARY 25, 1985

Submitted application for renewal of 34-00486-09.

We submitted Check Number 26872 in the amount of \$1,280 for
categories 170.31.3f \$350
AND .3n \$930

MARCH 6, 1985

Submitted application for new license 34-00486-10.

We submitted Check Number 26929 in the amount of \$2,360
for categories 170.31.3a \$1,200
.3e 230
AND .3n 930

Per attached document, the -09 license was deemed filed in a timely manner and terminated for convenience in combining and simplifying the licenses.

Ms. Glenda Jackson
U.S. NUCLEAR REGULATORY COMMISSION
November 14, 1985 -- Page 2

A new -10 license was issued in the following categories:

170.31.3a	\$1,200 est.
.3e	230 est.
.3f	350 est.
.3n	930 est.

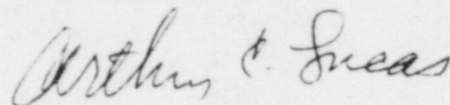

TOTAL \$2,710

We, therefore, estimate that you might refund \$930 to our Company.

Thank you for your patience in this lengthy process.

Very truly yours,

VICTOREEN, INC.

Arthur C. Lucas
