Renewal of Byproduct Material
(Radioisotope) License No.
37-1048-6 (E64) for CS 137 Sources

Your Reference No. L&R:IB:37

U. S. Atomic Energy Commission
Washington 25, D. C.

Attention: Mr. Richard E. Cunningham
Chief, Isotopes Branch
Division of Licensing & Regulation

Gentlemen:

We are in receipt of your letter of March 31, 1964 to Mr. J. M. Phillips with reference to License Expiration covering License No. 37-8428-1 expiring on May 31, 1964.

A review of our records does not indicate any License of the number indicated in your letter and we feel that this number may be an error and should have been 37-1048-6 which also expires on May 31, 1964.

The attached renewal form, in triplicate, is filled out in accordance with past procedure for renewal of said License.

Very truly yours,

R.B. Higgins
