

AFFIDAVIT

NOW COMES Herbert Moyer, being duly sworn, deposes and states as follows:

1. My name is Herbert Moyer and I am a science teacher at the Winnacunnet High School in Hampton, New Hampshire.

2. I make this affidavit in support of the Town of Hampton's Motion for Summary Disposition in the matter of Public Service Company of New Hampshire Seabrook Station, Units I and II, Docket Nos. 50-443-OL and 50-444-OL.

3. I personally drafted the language in the petition provided to teachers within the Emergency Planning Zone for Seabrook Station which provides:

"We are the teachers who work at schools in communities within the ten mile EPZ of Seabrook Station. We DO NOT accept the conflicting duty which the emergency response (evacuation) plan assigns us.

We believe it is inappropriate to expect us to provide emergency support for our students during a nuclear accident which would simultaneously place our families in danger."

4. I personally witnessed between 50 and 100 teachers sign this petition and their signatures appear as part of the signed petitions attached hereto and incorporated by reference herein.

5. Of the several hundred teachers I have spoken to regarding the issues in the petition, I am personally aware of 2 teachers who indicated they would carry out their duties as assigned under the NHRERP.
