Gentlemen:

This letter is to inform you of our request for amendment of Material License No. 12-16147-03. Recent reorganization of Interlake, Inc. has resulted in a name change to Acme Steel Company, which retains the Interlake, Inc. iron, steel and domestic U.S. steel strapping business. In light of this change, we are requesting that the mailing name and address of the Material License No. 12-16147-03, be amended to read as indicated on the attached NRC 313 Form. All other license conditions remain the same.

The appropriate fee for this license is enclosed. If you have any questions, do not hesitate to contact me.

Very truly yours,

ACME STEEL COMPANY  
(Formerly Interlake, Inc.)
