Gentlemen:

As a result of the inspection conducted on September 9 to 11, 1985, a Form NRC-591, SAFETY INSPECTION, is issued for your NRC general license. You will note that this form indicates that no item of noncompliance was found. It is not necessary that you acknowledge receipt of this form.

MEMO
The enclosed copy of our inspection report identifies areas examined during the inspection. Within these areas, the inspection consisted of a selective examination of procedures and representative records, observations, and telephone interviews with your personnel.

If you have any questions or require clarification on any of the information stated above, you may contact us at (312) 790-5616.

Thank you for your cooperation.

Sincerely,

D. G. Wiedeman, Chief
Nuclear Materials Safety
Section 1
