United States
Nuclear Regulatory Commission
Materials Program Section 2
631 Park Avenue
King of Prussia, PA 19406

Gentlemen:

Please amend our Nuclear Regulatory License, Number 37-00897-01, at the Mercy Hospital, Wilkes-Barre, Pennsylvania, to include the following changes:

- 1. We wish to remove Salvatore M. Imperiale, M. D., as our Radiation Safety Officer and as an authorized user.
- We would like to appoint Champak M. Dedhia, M. D., as our Radiation Safety Officer. Doctor Dedhia's NRC forms, 313M, Supplement A and Supplement B, are on file under the Mercy Hospital License, Number 37-00897-01.
- We would like to remove Ron Konecke, M. D., from our license as an authorized user, as he is no longer providing service to this hospital.

You will find attached the required amendment fee in the amount of \$120.00.

Sincerely,

REG1 LIC30
