Gentlemen:

This letter is in response to your application dated April 15, 1985 for an amendment to License No. 37-03572-08E to incorporate the items distributed under expired License No. 37-03572-02E. For your reference and information we are enclosing a copy of 10 CFR Part 32, "SPECIFIC DOMESTIC LICENSES TO MANUFACTURE OR TRANSFER CERTAIN ITEMS CONTAINING BYPRODUCT MATERIAL." In order for us to continue our review of your request, we find we will need the following additional information:

1. Since you allowed your 37-03572-02E license to expire, this request must be treated as a new authorization. Therefore, you must submit complete information to show that your products containing the Drandhurst Company, Ltd. and W. Maier paints meet the specifications described in Parts 32.14 and 32.15, as appropriate. A certificate of compliance from the manufacturer as you submitted for your products containing the Radium Chemie paint (enclosed with your August 17, 1983 letter) would be acceptable.
2. In reviewing your 37-03572-02E license folder we note that you have not submitted distribution reports since September 24, 1981 (refer to Part 32.16). You must submit an up-to-date distribution report before we can amend the 37-03572-08E license.

We will continue our review of your request upon receipt of the above information. Please reply in duplicate and reference mail control number 003787.

Sincerely,

Original Signed By
