

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

AB34-1 PDR

SEP 15 1986

MEMORANDUM FOR: Richard E. Cunningham, Director
Division of Fuel Cycle
and Material Safety
Office of Nuclear Material Safety
and Safeguards

FROM: William J. Olmstead, Assistant General Counsel
for Rulemaking and Fuel Cycle
Office of the General Counsel

SUBJECT: REGISTRATION OF SAFETY INFORMATION ON
RADIATION SOURCES AND DEVICES

We concur in the proposed amendments to 10 CFR Parts 30 and 32. The "Coordination" section on page 2 of the memorandum from Davis to Stello should be changed to read, "The Office of the General Counsel has reviewed this paper and concurs in it."

William J. Olmstead
Assistant General Counsel
for Rulemaking and Fuel Cycle
Office of the General Counsel

NOTE: On 10/2/86, after review of editorial changes suggested by ADM, T. Dorian (OGC) confirmed that this memorandum provides Office level concurrence for OGC. The change recommended in this memorandum has been made.
