Administrator

Gentlemen:

This refers to your letter dated February 3, 1986, for an amendment to Materials License 48-17367-01.

In your letter you state that as a non-profit community hospital, you are not required to send a fee for the amendment. However, §170.11 of the enclosed 10 CFR 170 does not provide an exemption for non-profit community hospitals. The exemption in 170.11(a)(9) applies only to agencies of a State or any political subdivision thereof. The American Hospital Association Guide to the Health Care Field classifies Superior Memorial Hospital as a non-government, not for profit organization. Therefore, your institution is subject to the fees specified in §170.31, of 10 CFR 170. Consequently, an amendment fee of \$120 is required for your February 3, 1986 amendment request as specified in fee Category 7C of §170.31. Payment should be made to the U.S. Nuclear Regulatory Commission and mailed to the attention of Cheryl Phillips at our Washington, D.C. address.

Your application will be processed by the Region III Licensing staff located at 799 Roosevelt Road, Glen Ellyn, Illinois 60137. The fee, however, is required prior to issuance of the amendment. When submitting the fee, please refer to CONTROL NUMBER 380654.

Sincerely,

Original Signed By
