To whom it may concern:

We request that our Nuclear Medicine license #48 17367-01 be amended to include:

Stephen L. Towle, M. D. - Groups I, II, III

Christian M. Peterson, M. D. - Groups I, II, III

Mark B. Kilen, M. D. - Groups I, II, III

as authorized users working at Superior Memorial Hospital.

I am enclosing a copy of their present license with Miller-Dwan Hospital, Duluth, Mn to document their qualifications.

As we are a non-profit community hospital, we will not be required to send the \$40.00 per person fee.

We would also like to delete William G. Keating, M. D. from our license as he is no longer affiliated with this hospital. He was added on amendment No. 04 of our license.

Respectfully,

*Keith Petersen*
