Subject: Amendment to Byproduct Material License No. 06-01781-03

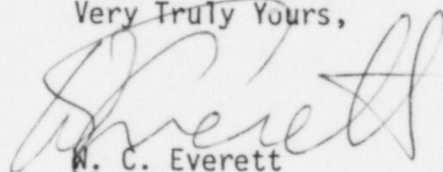

Gentlemen:

Please amend Byproduct Material License No. 06-01781-03 to allow acquisition, storage, and use of a Shimadzu Scientific Co. Model ECD 8AIE Gas Chromatograph for sample analysis.

Enclosed is a check in the amount of \$120.00, as required by 10CFR170, Category 3L, for an amendment. Attached is NRC Form 313 with associated information for specific line additions on the license.

Should any questions arise regarding this amendment application, please contact Eugene T. Reimer, Jr., Radiation Protection Officer, at (203) 446-5170.

Very Truly Yours,

W. C. Everett  
Associate Division Counsel
