Re: Renewal of license #21-16277-01

Gentlemen:

We would like to renew our radioactive materials license in accordance with the previous application and amendments, but with the following changes:

Item 7. Radiation Safety Committee

L. M. Jackowski, D.O. Radiation Safety Officer
B. Parks, Administrator
J. Brand, Radiology Manager
L. Foster, R.T., Nuclear Medicine Technologist
B. McGrath, R.N., Assistant Administrator - Nursing
and Ancillary Services

Item 9. Instrumentation

Delete: Magnascanner (Picker)
Add: Uptake Probe (Picker)

Item 24. Personnel Monitoring Devices

Siemens Inc. will provide whole body and finger monitoring devices. Exchange frequency will be monthly.

Our check for \$580.00 to complete the processing of our license renewal is enclosed. Please contact Mr. Tony Mason at (313) 662-3197 with questions concerning the above information.

Sincerely,

Burton O. Parks
Administrator
