Dear Dr. Anderson:

Enclosed is Amendment No. 21 to your NRC License No. 21-05199-03 in accordance with your request.

Please note that we have not added cobalt-57 to your license. This radionuclide is not a byproduct material and therefore, is not regulated by the Commission.

Please note that Dr. Chun-Nan Shih has not been added to use all radionuclides at this time. In order to be added for all radionuclides, he must document experience with all types of emitters such as high energy gamma emitters and radioiodines.

Each of the new persons added as users have been added for the type of material for which they have shown experience.

If you have any questions or require clarification on any of the information stated above, you may contact us at (312) 790-5625.

We will continue our review of your application upon receipt of this information. Please reply in duplicate, within 30 days, and refer to Control Number 82275.

Sincerely,
