Thank you very much for allowing our Technical Review Team members the opportunity to talk with you on [REDACTED] to discuss concerns you raised regarding the Comanche Peak facility. In accordance with your request, we are enclosing a copy of the transcript of the interview. Since our transcriber was having a hard time hearing over the telephone, the transcript is not as accurate as we would like it to be. Please review and if substantive changes need to be made feel free to call us. We will be continuing our investigation on the first two issues described based on the additional information you provided. We will provide you with a Safety Evaluation Report when it has been completed.

If you have any questions, please call me or Ms. A. Vietti at the following numbers: (301) 492-7903, (301) 492-4449.

Sincerely,
