and engineering staff members. The radiation-protection officer has studied the manufacturer's instructions concerning handling and use of the instrument as well as Measurement and Data Corp's Home Study Course on Radioactivity, C. 1973. The balance of the above-named individuals have studied the manufacturer's instructions concerning handling and use of the instrument, and have received hands-on training in the use of the instrument by the radiation-protection officer. We shall follow the manufacturer's instructions concerning handling and use of the instrument.

Thank you for your prompt consideration of this matter.

Please find enclosed a check in the amount of \$120.00 for the amendment fee.

Sincerely,

Richard Giardina
