

Sandia National Laboratories

Albuquerque, New Mexico 87185

date: July 9, 1986

to: Distribution

from: 
J. N. Walker, 6420

subject: Monthly Cost-Status Report, June 1986

The attached Cost-Status Report for Sandia's Reactor Safety Research Program is being furnished pursuant to NRC Manual Chapter 1102 "Procedures for Placemnet of Work with the Department of Energy." These amounts (dollars in thousands) are estimates only and may not match the invoices presented by Sandia to NRC for payment.

We have been asked to transmit this seperately from our normal bimonthly technical highlight report.
