Dear Ms Wright,

I attach for your kind consideration two (2) applications to export tritium to Japan. The first is for 60,000 curies as tritium gas for use in JAERI's Tritium Process Laboratory (see U.S. NRC license no. XB001252). The second application is for three (3) tritiated targets each containing 650 curies of tritium for use with JAERI's FNS Deuteron Accelerator.

Please contact me if you require any additional information in connection with these application.

Sincerely,

R.H. Fisk
Manager, International Affairs.
