U.S. Nuclear Regulatory Commission  
Director, Division of Fuel Cycle and Material Safety  
Office of Nuclear Material Safety and Safeguards  
Washington, D.C. 20555

Dear Sir:

Enclosed for your review and approval are the original renewal application and one duplicate for Material License No. 43-03238-01, Salt Lake City Research Center, Bureau of Mines.

The application has been reviewed by this office and is being forwarded in accordance with the rules and regulations set forth in Title '0, Code of Federal Regulations. Once the application has been approved, please forward the approval certification to my office.

Sincerely,

  
Glenn C. Pritchard  
Bureau Safety Manager
