Docket No. 030-22092  
License No. 06-20800-01

Gentlemen:

In response to the Notice of Violation which we received from your offices 11/3/86 please find below the corrective steps we have taken.

A) A letter of amendment of license and appropriate fees have been forwarded to US NRC Region I.

B) We have started a wipe test program with CEP, Inc., Santa Fe, New Mexico which will be on a 6 month basis.

C) A photo copy of our license and conditions have now been posted above the gas chromatograph as well as a notation that specific operating procedures may be located in the operating manual of the instrument.

If you have any other comments, please notify us.

Sincerely,

*William S. Georgian*
