Gentlemen:

SUBJECT: ANSWER TO A NOTICE OF VIOLATIONS

We have been in this business for many years and have worked hard to maintain a good program. We have never had anything like this to occur before.

We have made changes in personnel, our O & E Procedures and have talked to our employees in the strongest terms about what happened and that our O & E's must be followed as shown in our 'Reply to Notice of Violations'.

We are not denying the violations but we respectfully request the proposed civil penalty of Eight Thousand Dollars (\$8,000) be removed or adjusted. We have already paid Twelve Hundred Dollars (\$1,200) for the inspection at Wynnewood plus much more for travel, communications and man hours resulting from these violations. This additional amount of money would place a severe financial burden on Bill Miller Inc.

I declare that to the best of my knowledge and belief the above information is true, correct and complete.

Sincerely,

William A. Miller  
President
