Dear Mr. Sugarman:

On December 1, 1986, your office sent to Docketing and Service Branch an unsigned "Supplement to Petition to Reopen and Admit new Contention" including exhibits thereto. In accordance with discussions with Mr. Richard Yesselson of your office in December, 1986, the unsigned "Supplement" was not docketed. In light of your December 23, 1986, Notice of Appeal of the Licensing Board's Order of November 14, 1986 which addressed your September 23, 1986 original "Motion to Reopen the Record" and the Order of the Atomic Safety and Licensing Appeal Board dated December 30, 1986, I am returning the unsigned "Supplement". I assume that in light of your Notice of Appeal you do not at this time intend to supplement your earlier motion.

Sincerely yours,

Emile L. Julian
