Dear Sirs:

Please terminate License Number 37-07739-04 for the possession and human use of the Cobalt 60 teletherapy source. The source was removed on May 19, 1986, by Neutron Products, Inc. The enclosed Form NRC 314 and affidavits reflect the removal. Also enclosed are the radiation surveys performed in the room subsequent to the source removal and NRC Form 314.

Should you have any questions regarding this application, please contact me.

Sincerely

osoph Noviello,

Chairman, President and Chief Executive Officer
