Gentlemen:

This letter is in response to your application dated June 16, 1986, for a byproduct material license. Additional information is needed to support your application. We have checked the items on the enclosed form which reference sections in the guide for which you should submit additional information. To assist you in providing this information, we have enclosed a copy of the guide, "Guide for the Applications for Licenses for the Use of Sealed Sources in Portable Gauging Devices (January 1985)."

If we do not receive a reply from you within 30 calendar days from the date of this letter, we shall assume that you do not wish to pursue your application.

Please reply in duplicate and refer to Control No. 461132.

Sincerely,

"Original Signed by  
J. A. MARSHALL"
