

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

MAR 04 1987

MEMORANDUM FOR: John Skoczlas, Project Manager
Document Control Branch
Office of Administration

FROM: Steven Baggett, Task Leader for Proposed Rule,
Material Licensing Branch
Office of Nuclear Material Safety and Safeguards

SUBJECT: ENTRY OF DOCUMENTS RELEVANT TO PROPOSED RULE (52 FR 2540)
INTO DOCUMENT CONTROL SYSTEM

Please enter the attached 19 documents into the NRC's document control system. These documents are identified in the list on the top of the stack. All the documents are centrally relevant to proposed amendments to 10 CFR Parts 30 and 32 which were published in the Federal Register on January 23, 1987.

As directed by the Rules and Procedures Branch, ADM, the designator "AB34-1" has been placed in the upper right hand corner of the first page of each document. Also, "PDR" has been placed on the first page of each document to show that the document can be made available to the public.

It is my understanding that your group will assign an accession number to each document and that these numbers will then be available to me when I compile a Regulatory History Index for the proposed rule. Please call me at 427-9005 if you have questions concerning these documents.

A handwritten signature in dark ink, appearing to read "Steven Baggett", is written over the typed name.

Steven Baggett
Material Licensing Branch
Office of Nuclear Materials Safety
and Safeguards

Enclosure: As stated on attached list.
