7/8/84

Attached is a complete listing of Diablo Allegations, current as of 7/8/84. Please review those identified as "NRK Responsibility" and identify

1. which ones are within scope of your review

2. which ones in (1) must be resolved prior to full power

If at all possible refer "your" allegations to an earlier one (e.g. RHR to #177) and group them by subject. Please note, that in SSER 22 we identified the following subject as requiring resolution prior to Full Power:

RHR Mods (#13, 36, 48, 177)

Piping (small bore # 55, 79, 82, 85, 87, 89, 95, 97)

Paint (6100)

Since then we added:
Bolting & Bolt Holes

8703200368 870318
PDR FOIA
DEVINE84-741 PDR

Your feedback needed by 7/18 AM
SSER to go to Commission 7/13.
