

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

AB34-1 PDR

SEP 16 1986

Ref: SA/LAB

MEMORANDUM FOR: Richard E. Cunningham, Director
Division of Fuel Cycle and Material
Safety, NMSS

FROM: Donald A. Nussbaumer
Assistant Director for
State Agreements Program
Office of State Programs

SUBJECT: REVIEW OF 10 CFR PART 30 AND 32 AMENDMENTS

We have reviewed and concur on the proposed amendments to 10 CFR Part 30 and 32 to provide for pre-marketing radiation safety evaluation and registration of sealed sources and devices used under specific license.

At the appropriate time, we will provide copies of the proposed amendments to the Agreement States for their review and comment.

Donald A. Nussbaumer
Assistant Director for
State Agreements Program
Office of State Programs
