Dear Sir:

On April 14, 1987, from 8:00 a.m. to 5:00 p.m. a public meeting will be held to provide information about the final revisions to 10 CFR 55 "Operator's Licenses", and their implementation. This will be a joint meeting for Region IV and Region V Nuclear Facilities. The meeting will be held at the Stouffer Concourse Hotel in Denver, Colorado. The hotel is located at 3801 Quebec Street, which is across the street from the Stapleton International Airport in Denver. Limo services will be provided by the hotel to and from the airport.

The enclosed agenda is provided for your planning purposes. I suggest attendance by three or four members of your staff who are involved with the training and licensing of your operators.

If you have any questions please call me at (817) 860-8106 or Spade Cooley, at (817) 860-8147.
