Good Morning Mr. Tran,
Attached please find a letter from the Radiation Safety Officer of the University of Texas Southwestern stating that folks who signed the training certificate for Dr. Boike are indeed authorized individuals on a State of Texas issued Icon license. I hope this is what you were requiring to complete our request for amendment.

Sincerely,

This letter is to verify that Zabihullah Wardak M.D. and Strahinja Stojadinovic, Ph.D. are authorized user of the Leksell Gamma Knife Icon under the radioactive materials license # L05947, issued to University of Texas Southwestern Medical Center, Dallas, Texas.

Please do not hesitate to contact me if you have any further questions or concerns.

Sincerely,

Matthew Amen
