Ladies and Gentlemen:

Enclosed with this letter are two copies of an application for an NRC license for laboratory and industrial use of small quantities of by-product material, and a check to cover the appropriate fees (\$1,200 - category 3L). It would be appreciated if this matter was expedited. If you have any questions or need more information, don't hesitate to call me at (315) 432-2084.

Sincerely,
