

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

March 16, 1987

The Honorable J. Bennett Johnston, Chairman  
Committee on Energy and Natural Resources  
United States Senate  
Washington, D.C. 20510

Dear Mr. Chairman:

Thank you for your letter, dated March 11, 1987, inviting the Commission to testify before the Committee regarding proposals to reauthorize and extend the Price-Anderson Act.

Regrettably, the shortness of time available and the absence of one Commissioner preclude the development of collegial testimony by the Commission in time for presentation at your March 18, 1987 hearing.

With your permission, the Commission would appreciate the opportunity to submit testimony and answer any questions you may have in writing for the record.

Sincerely,

Lando W. Zech, Jr.
