SUBJECT: TEXAS UTILITIES PROGRAM PLAN

During my site visit to Comanche Peak June 25, 1985, I was informed by Texas Utilities that they would be sending the staff the Program Plan on Friday, June 28, 1985. Distribution of the Plan will be made as soon as it arrives. Therefore, I would like to meet with all Comanche Peak staff members in room P-234F at 9:00 a.m. on July 1, 1985, to discuss the review of the Plan. In addition, I am tentatively scheduling three (3) meetings as follows:

1. An NRC internal meeting on July 10, 1985, in Bethesda with all offices to discuss the Applicants Program Plan.
2. A transcribed NRC/Applicant meeting on July 17, 1985, in Texas to ask questions and relate the staff's initial views of the Plan to the Applicant.
3. An NRC internal meeting on July 31, 1985, in Bethesda with Teledyne, where Teledyne presents their evaluation of the Program Plan for the staff.

I expect the staff response to the Plan to be sent to the Applicant no later than August 7, 1985.
