Dear Mr. Hickey:

Last year you authorized the use of the Eureka U. S. Treasury Obligation Fund for investment of cash – see copy of your letter enclosed.

We wish to now return to the Dreyfus Treasury Prime Cash Management Fund, the “sweep fund” originally used in this account when it opened in 1996, because, for tax reasons, the Eureka Funds do not qualify as a totally tax-exempt fund. A Dreyfus prospectus is enclosed.

Please signify your concurrence with this switch by signing and returning the copy of this letter.

Let me know if you have any questions.

Sincerely,

Vern Whitaker
Vice President
(213) 896-7152

I acknowledge receipt of the Dreyfus funds prospectus and authorize the trust to invest in the U.S. Treasury Obligations Fund.
