Re: PHILADELPHIA ELECTRIC COMPANY (Limerick Gener-
ating Station Units 1 and 2) Docket Nos. 50-352/
353-OL

Dear Mr. Clements:

In response to your letter of Sept. 2, 1986 we are
returning our filing entitled: "AIR & WATER POLLUTION PATROL
RESPONDS TO TESTIMONY RELATING TO REMAND HEARING ON AVAIL-
ABILITY OF BUS DRIVERS FOR OWEN J. ROBERTS & SPRING-FORD
SCHOOL DISTRICTS".

We have corrected our Certificate of Service to show
date and maner of service and attached Service list with
name and addresses of those served.

We would like to note we receive material from both
the NRC and Philadelphia Electric that does not always
show names and addresses of those served nor manner of
service.

Very truly yours,
AIR & WATER POLLUTION PATROL

Frank R. Romano, Chairman
61 Forest Ave.
Ambler, Pa. 19002
