DCB 016

March 2-1986

MEMORANDUM FOR: Raymond F. Fraley, Executive Director
Advisory Committee on Reactor Safeguards

FROM: Themis P. Speis, Director
Division of Safety Review and Oversight

SUBJECT: DRAFT CRGR PACKAGE ON USI A-17 RESOLUTION

The enclosed draft documents are provided for the committee's use per your request. It should be noted that this information is predecisional and has not received the Office Director's approval. We expect to get his approval prior to the scheduled March 12, 1986 subcommittee meeting on A-17. If any changes to the package occur, we will inform Richard Savio and be ready to discuss them at the meeting.
