Gentlemen:

On February 19, 1986, I sent a letter to you asking that you review an allegation concerning possible false information on the resume of an individual who either has been or will soon be employed at a utility in the Cleveland and/or Toledo area. Subsequent to sending this letter additional information has been obtained that indicates that your facility is not involved with the alleged incident.

Due to the additional information, a response to my February 19, 1986, letter is not necessary. I apologize for any inconvenience this incident may have caused.

Should you have any questions with regard to this matter, please do not hesitate to call me or Mr. R. C. Knop (312/790-5547).

Sincerely,
