SUBJECT: Waterford Steam Electric Station - Unit Number 3
NPDES Permit Number LA0007374

Dear Mr. Hartung:

As required by Part II.C.5 of the subject permit, Discharge Monitoring Reports (DMR's) for August 1986 are enclosed. Copies of this letter and the DMR's are also being submitted to the Office of Water Resources of the Louisiana Department of Environmental Quality.

Please note that although I have signed each DMR, I am making the following certification which appears in 40 CFR 122.22(d) in lieu of that printed on the DMR (EPA Form 3320-1 (Rev. 10-79)):

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
