COMPLIANCE INSPECTION REPORT
EUBROUGHS CORPORATION
PLAINFIELD, NEW JERSEY
INSPECTION ON AUGUST 23, 1961

LICENSE NO. 29-4239-2

LR:RH

The subject report recommends that the licensee be cited for noncompliance with Section 20.201(b), in that the licensee has made no evaluation of their use of Krypton 85 in the experimental production of vacuum tubes. We cannot determine from the report details what kind of surveys or evaluations the licensee has not made which are required by Section 20.201(b). We are returning the report for additional information as outlined in your Inspection Guide to support this alleged violation.
