Re: Freedom of Information Act Request  
NRC Investigation of Complaints of Susan Register,  
Leslie Price and James B. Register

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (FOIA, 5 U.S.C. 552 as amended), the Georgia office of the American Civil Liberties Union (ACLU) requests: copies of any and all NRC records and information, including, but not limited to: notes, letters, memoranda, drafts, minutes, diaries, logs, calendars, tapes, transcripts, summaries, interview reports, procedures, instructions, engineering analyses, drawings, files, graphs, charts, maps, photographs, agreements, handwritten notes, studies, data sheets, notebooks, books, telephone messages, computations, interim and/or final reports, status reports, and any and all other records relevant to and/or generated in connection with the NRC's investigation into the Complaints of Susan Register, Leslie Price and James B. Register regarding illegal and improper procedures and practices at Georgia Power Company's Nuclear Plant Vogtle in Waynesboro, Georgia. (See attached letters from NRC's Bruno Uryc for reference.) This request includes, but is not limited to, any and all NRC records and information regarding Region II Inspector Bruno Uryc's initial contact and follow-up with Susan Register and Leslie Price in January of 1985.

Because the ACLU is a non-profit organization established to protect the civil liberties guaranteed by the Constitution of the United States, we believe it is appropriate for you to waive copying and search charges, pursuant to 5 U.S.C. 522(a)(4)(a). In this case, "furnishing the information can be considered as primarily benefitting the general public."

For any documents or portions that you deny due to a specific FOIA exemption, please provide an index itemizing and describing the documents or portions of documents withheld. The index should provide a detailed justification of your grounds for claiming each exemption, explaining why each exemption is relevant to the document or portion of the document withheld.

This index is required under Vaughn v. Rosen (I), 484 F.2d 820 (D.C. Cir. 1973), cert. denied, 415 U.S. 977 (1974).

I look forward to hearing from you within 10 days as the law stipulates.

Sincerely,

*Laurie Fowler*
